# BALAYAGE

Wait, what does “balayage” mean? The term comes from the French word “balayer,” meaning to sweep and refers to the way colour is applied. Balayage is all about the end result; colour is painted onto sections of the hair to create a soft, blended look. We use a variety of techniques for a balayage and so we base our prices on the result you’re looking for!

THE FACE FRAME	A bright touch of lightness around the face to add dimension to an all over colour!	£63 - £82
THE CLASSIC	Soft, subtle & sun-kissed, blending with your natural root. No melt and 100% free-hand. (no more than 2 shades lighter than natural colour).	£120 - £185
THE MELTING	A lighter lift with a colour glaze to add total shine & dimension. Uses a combination of free-hand & foiling.	£120 - £190
THE BOLD, BLONDE & BEAUTIFUL	Packed full of bright and light foils, finished with a colour melt to give you that LA blonde balayage feel.	£128 - £200
THE BOLD, BUT INTERESTING	As above but let’s keep the blonde at bay and add some creative colour, pink? copper? You choose!	£128 - £200
MAKE ME MELT	A balayage melt refresh to bring back depth and shine! Recommended 6 weeks after a full balayage.	£48 - £52

# FOILS

Foiling is a technique that brings life and colour to your hair through a mix of highlights and lowlights. Colour is applied in an even coat across the full length of specific sections of hair, which are then separated from the uncoloured sections by foils. The results can vary from soft and subtle to bright and bold depending on the amount of hair in foils and the colours used.

THE FULL HEAD	High or low lights all over for a super blonde or classic multi-tonal look.	£114 - £130
THE ULTIMATE FULL HEAD	A full head foils, with more foils. Plus new & personalised techniques, 30 minutes more with your stylist & a complementary finishing colour.	£121 - £152
THE HALF HEAD	Everywhere at the front you can see foiled to perfection. The perfect 6-8 week maintenance on your foils.	£63 - £82
THE ULTIMATE HALF HEAD	A half head of foils with more foils. Plus new & personalised techniques, 30 minutes more with your stylist & a complementary finishing colour.	£79 - £97
PART LIGHTS	A super speedy touch up on that parting to keep those roots at bay.	£45 - £65
FULL WORKS	Up to 20 foils to keep your brightness plus tint or glossing to keep your roots looking fresh. Perfect for those wanting to try highlights!	£82 - £111
